Debbie was a good friend in high school and I remember her as a bigger than life personality who brought good humor and joy to all who were lucky enough to be associated with her. She was an exceptional athlete in high school, we loved going to rodeos, ropings, gatherings with our parents on camping trips. which always turned into golfing games. She was dedicated to BH and immediate family. A sweet soul and she will be missed. Bless you dear friend! Love to all, Teresa Lawrence Chance

I could write a book about our wonderfully special Mrs. Cook! She was my high school home ec teacher and one of my favorite people. She had wit and wisdom that she shared daily with us. Her love for kids and B.H. was obvious! I wish I had be able to visit with her since high school, but I will treasure the memories I have of her always. Rest easy, Mrs. Cook. The Class of '89 loves you!
