So very, very sorry to hear this. Betty was a very beautiful and wonderful person and was a good friend. A long time ago, she took me and Paul fishing over at Lake Greenbelt and for the whole trip, we listened to an 8-track tape of Johnny Horton that she had. Many times, when I hear him, I think of that fishing trip and of Betty and Paul. It's impossible to think of growing up in Hedley with Danny, Timberlee, Paul, and Kirk, and to not have wonderful memories of Betty and her family. Everyone loved her and she will be dearly missed. The Good Lord sure got a precious angel this time. Good-bye, Dear Friend.
