Nicholas Alan Burrow

JUN 2, 1981 - NOV 13, 2024

Nicholas Alan Burrow, age 43, of Midland, Texas passed away Wednesday, November 13, 2024, while hospitalized in Dallas. He died of sepsis from fungal pneumonia that was not diagnosed until he was too weak to recover. Nick was born June 2, 1981, in Elk City, OK to Lloyd Burrow and Karla (Nance) Burrow. He grew up in Midland and graduated from Midland High School before attending Texas Tech University. Nick met Kristen while in Lubbock and they returned to Midland where they have enjoyed 19 years together. They have a daughter, Harper, who is nine.

Nick worked as a mechanic and loved hotrods and fast cars. He loved talking cars and working on them for his abundant network of very loyal friends. Nick was always smiling and lived life on his terms. We call it "Nick Time" because he couldn't be rushed into anyone else's time schedule. Harper was his world and he fought with everything he had to make it home to her. They family appreciates so much the support they are receiving from everyone.

Nick is survived by his wife Kristen, daughter Harper, parents Lloyd and Karla Burrow all of Midland, and his brother Randy of Denton. He is preceded in death by his grandparents Ben and Nell Burrow and Jim and Nelda Nance.

Visitation will be held Tuesday, November 19, at Robertson Funeral Home in Clarendon from 4pm to 6pm. Graveside services will be held Wednesday, November 20 at 1pm at Citizens Cemetery in Clarendon officiated by Nick's uncle Calvin Burrow.

Memorial contributions can be directed to benefit Nick's family on GoFundMe in lieu of flowers.

My deepest condolences as you bear this burden. I lost my firstborn son back in 1999, and the pain stays with you, but the memories are warm and cherished and and remembered often. This is how I get through my every day. I'm so sorry you have to endure this pain and will think of you often. Take good care of yourselves. He is with you always . . . Donna
