Patty was the yearbook advisor at Lamesa H.S..where I had the pleasure of being her yearbook provider with Jostens. She and Patti were the best yearbook advisors I had ever had the privilege of working with during my 30 years with Jostens. Always cheerful and always on time with her yearbook deadlines. She was very special to me and I will always have such great memories of her. Prayers to Tippy and the family during this time. She will be missed.
