

Kathryn "Kit-Kat" Louis

November 1, 1999 - February 8, 2020

Kathryn Jane't-N'Daea Louis, 20, of Clarendon passed away Saturday, February 8, 2020 in Amarillo.

Services will be held 1:00 PM Saturday, February 15, 2020 in the First Baptist Church in Clarendon.

Viewing will be held Friday from 8:00 AM-6:00 PM at the funeral home.

Cremation & Arrangements are by Robertson Funeral Directors of Clarendon.

Kat was born November 1, 1999 in Pampa to Linda Robertson and Joel Keary Louis. She grew up in Clarendon, was a 2018 graduate of Clarendon High School, and was attending Clarendon College. Kat was always the loudest, brightest spirit in a room even in a small town like ours. She managed to touch the lives of so many people. From friends to family or co-workers, her energy could be felt even when she is not in the room.

It will be difficult, but these are the times when we should reminiscence about all of the great memories she gifted us with. Holding on to the best moments she left us with will carry us into a tomorrow that won't hurt as much as today. Her graduating, going to college, trips with her family or friends. These are the wonderful milestones through Kat's life that should be celebrated in her honor. Though not nearly long enough, Kat lived a great life. A RICH LIFE! Not in monetary value, but in love and friendship. She got to love and be loved and that is all we can be grateful for in preparing her for her next steps in her journey to everlasting peace.

She leaves to cherish her memory, her father, Joel "PeeWee" Louis of Clarendon; her mother, Linda Robertson of Amarillo; her step parents, Chevon Dunn of Houston and Christopher Evans of Amarillo; six sisters, Tabisha Dunn of Houston, Tyamblae Louis of Houston, Staci Thomas of Amarillo, Shannon Thomas of Amarillo, Rihanna Evans of Amarillo, and Latifah Evans of Kileen; three brothers, Christopher Evans, Jr. of Amarillo,

Quin Evans of Amarillo, and Donte Evans of Kileen; her grandparents, Barbara Ann Rodgers of Longview, Larry and Betty Robertson of Washburn, and John L. Louis of Clarendon; her great grandmother, Bobbie Ruth Louis of Clarendon; her uncle, Kemp Louis of Eules; her aunt, Nikola Louis of Longview; and many other aunts, uncles, and cousins.

“ I remember this little girl coming into the library with her daddy when she was little. She really was a shining light and her daddy was so proud of her! There are no words, Joel, but my heart goes out to you and prayers for you in this time oh heartbreak. Mary Lynn

“ My condolences to Joel, family, friends and loved ones. My heart goes out to you all for such a great loss. It has been a very long time since I last saw Kat but I remember driving down to Clarendon to see Nanny, Joel & Kat. I remember often times while visiting we would end up excusing ourselves to go in your room or the living room to talk and/or play with your toys. You will truly be missed during this time. Rest my dear.

“ Oh baby.... my heart aches so bad. I will always remember the days I cherished with you and your daddy. How I would come to see your dad and it ends up being me and you the whole night playing. How you would jump up on my lap everytime I came to see yall and play with my face and tell me how much your daddy loves me . I cant get over how you turned into such a beautiful young girl. Kat I know for a fact that you've touched so many people's lives including mines. I just hate that I didnt get to see you all grown up. I looked on your page about a week ago and said "man I got to get around to see my baby"....and then I look at a post on fb and your gone... my heart was crushed. I say that to say this.. Kat forgive me for not coming around to see you. I got tied up in life itself. I want you to know babygirl that you will ALWAYS be loved by me. And thank you for all the memories you put into my life. I will never EVER forget you baby. I love you so much. Fly high honey and watch over us. Especially your dad and granny. You are always in my heart.

“ Kat. Your daddy can't begin to tell you how sorry I'm. I wasn't there for you when you needed me the most. My job, in this life, is to protect my children with my life. I failed my little girl, and it cost you and the ones who love you, dearly. I will never get over this, as long as I dare to live. I feel that every breath I take is an insult to the memory of my child. You, and your sisters, should be burying me, but I have to live with the horror of burying my baby girl. You were cheated out of your life, and in the cruelest way I can imagine. And, there is no way any one can justify that to me. There is no comfort for my spirit, in knowing this. Baby, daddy is so so sorry! Unbelievably sorry! And, I don't know how to make this right. I only ask for your forgiveness. I know my baby, and I know my babies heart. Daddy can't do any wrong, in your eyes, and I don't even have to ask for your forgiveness. My kind-hearted, loving, giving little girl was the source of my strength, and endurance, and I'm determined, at any cost, to make this right for you. I will make this right. I love you, babygirl. I used to tell you that every day, and you would always say, "I know you love me, daddy," because you just know I do. Little girl, I will see you again. This, I promise you! Only not in the way people think. But, in the way only you and I know it will be. You know your daddy like a book, so you absolutely understand our way of doing things. So, I won't say to you, rest in peace. I'll only say, give it a minute. With all of the love I have in my heart and more, your daddy....

“ Pee Wee... There are no words out there that can sooth your broken heartedness. The loss of a child is unbearable. Know you are not alone. Our community both friends and family alike mourn the loss of Kat. Please know you did not fail her. She knew you loved her. She always talked about you and that says mountains of the love you shared. Please know, Kat will always be with you in every note you play. She was so proud of you. She will be there as if you are reaching to her in Heaven and she is reaching back to you. Have comfort and peace that God has a greater plan for her. Though her body is not present, know with confidence she now communes in Heaven and makes music with the Angel's above. We will see her again. Love Laura Paul

“ The moment I walked into the room, she looked at me, smiles and introduced herself. We spoke a few words and she confidently stated " I know we are gonna become friends, I like you and I just met you!" We did, we became great friends. We made plans for future fun times. We shared secrets, and wisdom. Kat found a place in my heart instantaneously, and It will always be hers. I love ya sister....I look forward to meeting you on the other shore.
